Study Abroad

Always meet with your major advisor before selecting courses for Study Abroad.

The Philosophy Major does not have Global Tracks (pre-approved courses). However, there are many Study Abroad locations which have Philosophy coursework available!

Students who plan to Study Abroad should save certain courses. The SBS Core series are appropriate options to save for Study Abroad.

Double Major Agreements

Students may be able to share up to 12 units between the Philosophy BA and other approved majors. Always work with both major academic advisors when selecting courses to share between majors. View approved double major agreements here: <https://philosophy.arizona.edu/double-major>

Internships

Internships are not required in the PHILBA. Students may receive academic credit for internships if the internship is approved in advance. There is no retroactive credit awarded for internships. Work with your advisor to determine if an internship is appropriate for academic credit.
