ACADEMIC ETHICS TODAY

PROBLEMS, POLICIES, AND PROSPECTS FOR UNIVERSITY LIFE

EDITED BY STEVEN M. CAHN

FOREWORD BY REBECCA NEWBERGER GOLDSTEIN

"A timely and provocative anthology by leading philosophers, created by an editor with a life-long interest in good teaching and ethical administration in higher education."

—Gregory E. Pence, *University of Alabama at Birmingham*

"Steven Cahn is a giant when it comes to academic ethics."

This is a must-read for everyone in academe."

—David Levinson, *Connecticut State Community College*

An all-star cast of philosophical thinkers about higher education, more than half women, offers new essays exploring major ethical problems facing American higher education today.

Among the crucial topics discussed are free speech on campus, challenges to the tenure system, the proliferation of adjunct faculty, historical injustices, affirmative action, admission policies, opportunities for applicants from the working-class, faculty and administrative responsibilities, student life, threats to privacy, treatment of those with disabilities, the impact of technology on teaching and learning, curricular controversies, the impact of unions, philanthropy, sports and intercollegiate athletics, and the aims of liberal education.
